Hallelujah

Your faith was strong but you needed proof You saw her bathing on the roof Her beauty and the moonlight overthrew you She tied you to her kitchen chair She broke your throne and she cut your hair And from your lips she drew the hallelujah

Hallelujah, hallelujah, hallelujah

3

Baby i've been here before
I kwow this room and i've walked this floor
I used to live alone before i knew you
I've seen your flag on the marble arch
But love is not a victory march
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah

4

There was a time when you let me know What's really going on below But now you never show that to me do you But remember when i moved in you And the holy dove was moving too And every breath we drew was hallelujah

Hallelujah, hallelujah, hallelujah

5

Maybe there's a god above
But all i've ever learned from love
Was how to shoot someone who outdrew you
It's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah Hallelujah, hallelujah, hallelujah
